Poulaphuca paddlers is a paddling group on Blessington lakes. It's a really inclusive club that caters for kids and adults. Personally I find it to be a great social outlet and great exercise. They have included local Ukrainian refugees and people new to the community. We also participate in lake clean ups and removing invading flora. PP's have been on the lake for over 20 years but we are sorely lacking facilities such as a club house. We need toilets, Changing rooms
Showers , meeting rooms for training.
