Comhairle Chontae Chill Mhantáin Wicklow County Council

In accordance with provisions of PART XI, of the Planning Acts 2000 (as amended), and Part 8 of the Planning and Development Regulations 2001 (as amended), Wicklow County Council hereby gives notice that it intends to construct the Convent Road Active Travel Scheme, on Convent Road, Delgany, Co. The Convent Road Active Travel Scheme involves the introduction of a modal filter north of the Convent Court junction, which will make Convent Road local access only. Improved pedestrian facilities will be provided on both sides of Convent Road, and new pedestrian crossings will be provided. A loading bay will be provided on the southern end of the scheme, and on-street car parking spaces will be provided at the northern end of the scheme. A disabled car parking space will also be provided.

In accordance with Article 6(3) of the EU Habitats Directive (Directive 92/43/EEC) and Article 250(1) of the Planning and Development Regulations 2001 (as amended), the development has been the subject of an Appropriate Assessment Screening. Where any person considers that the proposed development would be likely to have significant effects on the environment, he or she may, at any time before the expiration of 4 weeks beginning on the date of publication of this notice, apply in accordance with the provisions of article 120 of the Planning and Development Regulations 2001 (as amended), to An Bord Pleanála for a screening determination as to whether the development would be likely to have such effects.
