Blessington needs the N81 upgrade as soon as possible to improve infrastructure for businesses and staff. The current n81 is not fit for purpose and is a dangerous main road.

There is a lack of tourist attractions in the area around the lakes and Rusborough house. A holiday accommodation like Pods for tourists to stay in would be excellent for the area!

The N81 desperately needs an upgrade as it is not safe or fit for purpose. It is the only main road out of Dublin City that has not been upgraded.
