Notices of Motion

- 1 Notice of motion in the name of Cllr. A. Ferris, seconded by Cllr.

P. O'Brien (22nd July 2021)

'It is the policy of Wicklow County Council not to purchase goods or services produced or provided, in whole or part, (as practicable), from illegally occupied territories by illegal settlers, and that any such contracts should cease as soon as allowed'.

2 Notice of motion in the name of Cllr. M. Crean (12th August 2021)

'That Wicklow County Council webcast council meetings in the interests of democracy, transparency and accessibility'.

3 Notice of motion in the name Cllr. E. Timmins, seconded by Cllr. V. Blake (10th December 2021)

'That this Council supports people on a disability allowance to purchase their homes from the Council. Under current legislation this is not allowed'.

4 Notice of motion in the name of Cllr. M. Murphy, seconded by Cllr. P. Leonard (12th December 2021)

'There are 82 children with Spina Bifida and/or Hydrocephalus currently requiring urgent orthopaedic intervention.

This was brought to the attention of the Minister for Health, Stephen Donnelly in December 2020(1). However, no action has been instigated by the Minister to resolve this matter and these children continue to deteriorate.

Lack of surgical intervention has caused their limbs and bodies to become deformed and maimed. Some of these children's legs are so badly affected that the soles of their feet permanently rub together causing open sores and bleeding.

Children who have the ability to walk are losing or have lost that ability due to the absence of timely surgical management. Others who are manual wheelchair users, due to the same issue are unable to self-propel themselves effectively leaving them immobile.

The lack of timely surgical intervention means that effectively these children end up requiring more complex surgeries and failing that, amputation of limbs.

I am calling on the County Council to write to the Minister for Health, Stephen Donnelly and fast track these children for surgical review as a matter of urgency.

We are also calling on the Minister for Health to ensure that provision of services are made to disabled children within elective hospital settings as well as acute hospital settings to avoid a repeat of this situation in the future'.

5 Notice of motion in the name of Cllr. P. O'Brien, seconded by Cllr. A. Ferris (3rd January 2022)

'Wicklow County Council is calling on the Minister for Justice to introduce legislation for stricter penalties on those that are found guilty of damaging or tampering with defibrillators and life buoys.

Damage to, or theft of a defibrillator/life buoy are installed for public use could be a death sentence for a patient if they were not available for a patient in cardiac arrest or a life buoy if drowning. It is that serious. Locking up AEDs or life buoys isn't the ideal solution – you wouldn't lock up a fire extinguisher'.
