Proposed Variation Parts

Topic	Part 1: Proposed Variation to town / settlement zoning maps and, where relevant, proposed new or amended site specific policy objectives.
Submission	1. Level 4: Enniskerry

Write your observations here:

Having just moved from Stepside to Enniskerry to escape the constant building and densification of stepaside and Carrickmines which resulted in sudden changes to the population demographic living there, and the erosion of the quality of living, I object to the re-zoning of land in Enniskerry to prevent the exact same decline in society, sustainability, and community happening to Enniskerry which is a shining example of what life in an Irish community should be. Plans should be made to replicate Enniskerry not destroy it.
