390 The Clerk informed the Board that he received on the 14th Inst. a writ of summons from Mr. Baird, contractor for the Kinahely Waterworks for balance of amount of contract, with cost, due to him which he transmitted to Mr. Brown, Solicitor, together with the Bond of Mr. Baird under Specification.

The following letter was read from Mr. Brown:-
Baird v Shillelagh Guardians.

"I duly received your letter with copies resolutions of the Board and Mr. Smyth's letter to which I replied.

The cheque referred to in your letter was not enclosed & I have been since expecting to receive it.

Please let me have the Bond which I should have in case of any Proceedings -

I fully concur with the Board's view that the handing over of duplicate keys is not a delivery of possession whilst the originals remain in possession of a third party."

Mr. Brown subsequently wrote as follows:-

"I duly received your letter of the 14th Inst enclosing Writ of summons, contract, Tender Specification in this case. It will be some considerable time before this action can come to trial and in the meantime there will be ample opportunity to obtain counsel's opinion as to the necessary witnesses upon the hearing of the case. Please let me know by return of post the exact facts connected with the detention of the Keys by Dredham how he came to be employed why it was Mr. Baird refused him payment, and in what way exactly the Guardians are injured by Mr. Baird leaving the original Keys in Dredham's possession. On hearing from you I shall lay all papers before counsel and in the meantime will enter an appearance so as to stay Plaintiff's hands."

The Board agreed that Mr. Speares the Clerk report on Mr. Baird's claim and communicate direct with Mr. Brown, Solicitor.

 The Clerk's Report of Vaccination was read (this on the first meeting in every month.) Number of successful cases:—

The Report of the Visiting Committee was read, and Orders were made thereon as follows:—

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

The Master reports that an inmate named James Bomers assaulted another inmate named Nolan on Tuesday last by striking him in the head with a stick & wounding therewith; as Bomers then demanded his discharge. I took him before Mr. Brooke JP who directed him to be summoned to learn Petty Sessions on Tuesday next, which was accordingly done.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No 21,845

30th May 1889

Letter read from the Local Government Board for Ireland to acknowledge the receipt of the Minutes of Proceedings of the Board of Guardians of this Union on the 24th Instant, when the Guardians had before them an estimate of a proposed Concrete Tank for the supply of water to the Workhouse; and in reference to the resolution on the subject, I am to request that the Local Government Board may be informed on what grounds the Guardians propose to depart from the usual course of having this work tendered for in the manner prescribed by the General Regulations.

With reference to the subject of the foregoing letter No 21,845 dated 30th May 1889 the Guardians desire to inform the Local Government Board the reason they departed from the usual

Course of letting by contract was that a considerable part of the work could be carried out by the able bodied inmates and thus effect a large saving.

No 21,845

30th May 89

From same with reference to the Minute of the Board of Guardians of this Union on the 24th Instant proposing to accede to the application of a pauper inmate of the Workhouse for a weekly allowance of tobacco. I am directed by the Local Government Board for Ireland to call attention to Article 20 of the Workhouse Rules and to point out that tobacco can only be given by direction in writing of the Medical Officer, and then only to paupers in the sick and lunatic wards.

The Board referred the above-mentioned case to the Medical Officer.

The Board having been specially convened proceeded to consider the terms of the advertisement to be issued for the supply of milk to the Workhouse for 12 months from the 1st July next.

Mr. J. Byrne proposed Mr. Hayden seconded that tenders be received for the whole, or one half, or one fourth, of the milk required.

Amendment proposed by Mr. Swan seconded by Mr. Range that tenders to supply the Workhouse with milk be invited as usual for the whole or one half the quantity of milk required, to be considered on this day three weeks.

The Guardians divided when seven voted for the amendment four for the proposition which was declared lost & the Board directed that the usual form of advertisement to supply milk be adopted.

The Guardians agreed that tenders be also received on this day three weeks in the same form as last year

416

To supply the Workhouse with 120 Tons of the best Whitehaven Coal, and 60 Tons of Kilkenny (best Lannon hand-picked) coal.

Mr. E. Byrne presented the following notice of Motion, viz:-

"I hereby give a fortnight's notice that I will propose to have the resolution passed to-day about the milk for the Workhouse rescinded and that the milk contract be taken for the whole or one half or one fourth."

The cases of provisional relief, and applications for relief, were considered and decided on as set forth in the Application and Report Books.
