No. 4,084 24th Feb 92

Read letter from the Local Government Board for Ireland to forward to be laid before the Board of Guardians of this Union the two accompanying communications which they have received objecting to the tender for constructing the works for supplying the town of Carnew with water, and

to request that the Board may be furnished with the Guardians' observations thereon. You will be good enough to return the enclosures.

With reference to the subject of the foregoing letter the following resolution was unanimously adopted by the Guardians viz:—
 "That this Board having had before them the letter of Mr. B. B. No 7087 together with the memorial of a number of the Ratepayers of Carnew & the letter of Mr. Wm. Byrne Solicitor, respecting the Contract for the execution of the works in connection with the Carnew Water supply; beg to observe in the first place, that the meeting of this Board at which the Tenders were considered, was specially summoned by Circular & that of the eight Guardians then present only seven voted (Mr. Speares as Engineer of the works declining to take any part) six for giving the Contract to Mr. Baird & one for Matthews. That amongst the six who voted for Baird was the Chairman Mr. J. Brooke, Agent of Earl Fitzwilliam on whose property the whole of the town of Carnew is situate & who will have to pay considerably more than half any expense incurred by said works. That this Board in accepting Mr. Baird's tender was actuated simply by a desire to do what they believed best for the Ratepayers of Carnew, Mr. Baird having carried out a similar work for this Board at Ennabally in a most satisfactory manner & having produced testimonials as to competency &c. from various Bodies & eminent Engineers. That Mr. Matthews is well known to this Board as a Painter by trade & that he was contractor for erected some labourers Cottages for Earl Fitzwilliam but never had a contract similar to the one now referred to & would not in the opinion of this Board be competent to carry out same satisfactorily. That in reference to the amendment of Mr. Baird's tender it was observed that he included two items not in the specification & on his attention being called to same he corrected the error & that this was the only amendment permitted. That the tender of a Mr. Simpson was only £112.6 in excess of Matthews and this Board would have accepted same only they had no knowledge as to his character or competency he not having sent in any testimonials whatsoever. That this Board under the circumstances could not do otherwise, acting in the interest of the Ratepayers, than accept the tender of Mr. Baird & in so doing they believed they were adopting what would ultimately prove to be the more economical & safer course. There were two other tenders for said works at £1148.4.0 & £1030.10.0 respectively. This Board therefore prays the sanction of the L. S. Board to said Contract."

Next Meeting of the Guardians to be held on Friday the 11th day of March 189 2.

Signed,

Benj. H. H. H.
 Clerk of the Union.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority,

The following letter, addressed to the Clerk, was read from Mr. Berry Esq. —

"Will you kindly send me a copy of my agreement, dated July 1886, with the Shillelagh Board of Guardians."

The Guardians agreed to direct the Clerk to furnish Mr. Berry with a copy of his agreement as desired.

Read letter from Mr. Brown, Solicitor, as follows:—
Labourers Acts

The rents in Mr. Jas. B. Kealy's and Mr. Hinn's cases will be fixed by the Land Commission within the next fortnight or three weeks. There would be nothing to prevent the Board going on with the building of the Cottages if the occupiers will give up possession, as I am sure they will, the rents when fixed dating from the time of possession being given up.

In the case of the Clonagall sites (Henry Ryan & James Nolan occupiers) the Board were authorised to

to take the land & cottages by agreement only, not compulsorily. I wrote shortly after the Provisional order was made to Mr. Boyd, Solicitor, who represented Col. Tottenham at the inquiry but I could never succeed in getting an answer from him.

Will you kindly ascertain by what Tenure Henry Ryan & James Nolan hold as it may be that they have a sufficient interest to make good title without Colonel Tottenham who apparently does not wish to do anything in the matter.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority,

under the above-mentioned Acts, at a Meeting held on Friday the 29thday of April 1892

PRESENT: In the Chair—

Frank R. Brooke Esq. M.P.

Other Members:—

Messrs. Edmund J. Ferris, Thomas Dowling, Robert Carey, Patrick Byrne, Edward J. Byrne, Joseph Hopkins and Abraham D. Byrne.

The following letter was read from Mr. Brown, Solicitor:— 13th April '92

Benj. & Guardians

I beg to acknowledge receipt of your letter of 11th inst and have written to Mr. Benj's Solicitor in accordance with the instructions of the Board agreeing to the case being referred to arbitration. Kindly let me know who it is, ^{proposed} shall act on behalf of the Board.

Re Mr. Byrne { I have written to Mr. Chas. Byrne per registered letter cautioning him against interfering with the plot on Constablehill Guardians & Goss & others.

I have written a letter to Mr. Goss & his Sureties informing them of my instructions to proceed against them for failure to fulfil his contract. Kindly let me know what was the date on which possession of the site was given to him. Do the Board wish to determine the contract altogether and call in a new contractor at his expense or merely to proceed against the Sureties for the penalty of £5 a week which has been incurred.

since the expiration of the period of four months allowed him for completion from the time of possession being given.

Mr. Brown also wrote as follows: 21st Sep. 92
Shilleagh Guardians & Goos

"I enclose as requested Mr. Goos's Bond. The Sureties have not replied to my application but Goos himself called here and stated that he had been delayed eight weeks in getting possession at the best time of the year and that this accounted for his delay. He also stated that he was now proceeding with the work. I mention this fact in order that the Guardians may enquire into the truth of his statements and let me know how the matter stands. I also return Mr. Baird's Specification for the Carnar Water Supply."

The following was read from Mr. Ramsay, Engineer.

"On Nov. 23rd 1891. I laid out cottage sites for J. Goos & gave him possession personally, instructing him to commence work at once. He let me know by post when he would have materials on the ground so that I might go & see them & the foundation fences trenches, fences, etc. I also gave him copies of the amended Drawings and Specifications. He wrote me in January making excuses about not starting. I told him to start at once & he has had every instructions & warning."

The Contractor James Goos & his Sureties attended before the Board and applied for an extension of time to execute his contract for the erection of four Labourers Cottages in Clonmore Electoral Division.

The Guardians having carefully considered the case of Goos's failure to carry out his Contract, after the expiration of a period of five months, unanimously adopted the following Resolution viz:—
"That the Clerk write to Mr. Brown, Solicitor, & direct him to serve notice on Goos & his Sureties concluding the contract for cottages as per agreement dated 23rd October '91. The Sureties James Farrell, John Reilly & Michael Reilly agreeing to pay costs of re-advertisement and costs of new Bonds for Contractors."

The Guardians proceeded to consider Tenders as invited for alterations and repairs to seven Houses at Rackabeg in the Electoral Division of Clonagall, when the following were read:—
James Lynch of Slaneyquarter proposed to re-build five old houses at Rackabeg into four new houses, according to Plan & Specification, for a sum of £510; and Thomas Doyle of Ballinavally proposed to repair two houses at same place for a sum of £140.

The Board considered the aforesaid Tenders too high and unanimously agreed that the Clerk re-advertise same to be considered on this day three weeks; and also invite Tenders for the erection of one new house at Rackabeg and for the erection of four labourers Cottages in Clonmore Electoral Division lately let to the defaulting contractor James Goos.

Mr. Dowling presented notice of motion as follows:—
They to give notice that I, or some Guardian

for me, will move on this day fortnight that the Resolution of this Board of the 2nd October last, accepting the Tender of James Goss for the erection of four labourers Cottages in Clonmore Electoral Division be rescinded owing to his failure to carry out the contract.

Michael Byrne & Ellen Connors, Tenants of labourers Cottages at Belmont and Redbog attended before the Board to complain of the divisions in their plots; when Mr. Ramsay, Engineer, who was in attendance, was directed by the Guardians to measure same & to have proper division fences erected.

The Board adjourned the appointment of an Arbitrator in the case of Mr. Berry late Engineer as referred to in the first letter of Mr. Brown Solicitor.

Next Meeting to be held on Friday the 6th day of May 1892.

Signed, Benj. A. Atkins
Executive Sanitary Officer.

Immediately upon service of the notice the Guardians should take possession of the works and may either remove the plant tools and materials of the Contractor therefrom or sell the same as if they were the property of the Board. You need not wait for a meeting of the Board to affix the seal but should sign, affix seal, & have notice served at once."
