Next Meeting of the Guardians to be held on Thursday the 22nd
day of January 1886

Signed, *Wm. J. J. J.*
Clerk of the Union.

Mr. E. Byrne proposed & Mr. Lyons seconded his motion of which he had given notice as follows, viz.

That the Chargeability in the case of the cottage on Myles Graham's farm be placed in Kilpuck Division.

The Chairman, Duncan McNeill Esq., declined to put the aforesaid proposition for reasons which he stated in writing as follows, viz.

"The Board fixed as the area of charge in the case of the proposed labourer's cottage at Corbawn - that portion of the townland in the occupation of Myles Graham - and as the persons whose signatures are attached are not residents in this area as provided by s. 5 of the Labourers Act 1883 the representation ceases to be of any force or validity."

It was proposed by Mr. E. Byrne and seconded by Mr. G. as follows, viz.

That the Rev. D. W. Redmond, C. C. Colferney, Messrs Edward Grauge & L. G. Colferney,

Robert Foster, Corbin, John Wigginton, John and Rev. W. S. Smith & T. Smack as Chairman, be appointed a Committee to report up this day month on the application of Patrick Murphy of Larnau for a house; and also to report on the applications for new houses by labourers in Corbuck division on some day."

The Chairman declined to put this resolution on the ground that the representations referred to were not under the consideration of the Board and the case of Patrick Murphy being already decided as also two other applications in Corbuck Division.

Mr. E. Byrne handed the following notice of motion, viz.

"I should give a fortnight's notice that I will propose Kilpuck Division as the area of charge for the cottage about to be built on Myles Graham's farm at Corbawn."

"That we agree unanimously that this Union will not be a contributory to the National School Teachers (Ireland) Act."

Mr. Goble proposed Mr. Loney seconded and passed unanimously as follows, viz.

"That the contract for sugar be renewed, which, although up to sample is of an inferior quality and give the contractor a small advance for a better article and that the proposal of Lawrence Mulligan to supply sugar at 20/- per cwt to the 1st of March next be accepted."

It was proposed by Mr. Toth, pursuant to motion, & seconded by Mr. Long, as follows, viz.
 "That the rule of the Board is suspended, which prohibits married Couples from occupying the same dormitory, so as to meet the case of the man Hughes & his spouse, seeing that it is impossible for him to obtain a cottage wherein to reside and live according to the law of Patents and Grace."

The Chairman informed Mr. Toth that his motion of motion was not in accordance with the General Regulations respecting the Classification of Workhouse Inmates.

Guardians agreed to allow relief to be given to the poor but do not allow for the work; and James (son of James) 2/- a week as allowed for the work.

No. 5390

9th February 1886

Letter read from the Local Government Board for Ireland to forward to you, herewith, a copy of a Provisional Order which has been transmitted to this Department by the Post Office Authorities—the envelope containing it addressed (probably by you or the Guardians' Solicitor) to Mr. Henry Morton, Post Office, Wexford, being marked "dead".

With regard to the above letter the Provisional Order in question was transmitted to the address of the Board as given in the Act under the Labourers' Act relating to Land

A Letter was read from Mr. Brown Solicitor relative to the Amended Provisional Order on Schemes, agreed to under the Labourers (Ireland) Acts when the Board directed as follows, viz.

That the Clerk write to Mr. Brown requesting to know the amount of costs incurred up to the present time under the Labourers (Ireland) Acts as also the probable additional costs of bringing the four Schemes now in his hands to a conclusion.

A representation under the Labourers (Ireland) Acts was received for the Electoral Division of Coolboy.

A letter addressed to the Clerk, was read from William Moody of Bellmount in the Clonmore Electoral Division which was directed to be forwarded to the Local Government Board as follows, viz.

Kindly register my objection to the erection of two Cottages upon my land. I have already two such houses upon my farm and this I consider quite sufficient upon a small farm of 27 acres. We have any amount of extra men here within hagle call.

Be good enough to place this before your Board the Local Government ^{Board} and their Inspectors at investigation. Why don't you place

them upon people with large farms that have all the talk about them.

"That the Pump being sufficient to supply all who require water there is no need to use any from the stream and that

392
the people be cautioned from using it for culinary purposes.
Bridge Lane being the most remote from the Pump. We re-
commend that the Well on Charles Kavanagh's land where the
people are in the habit of getting water be improved & widened
said improvement to be effected by sinking & changing the
bed of the stream for about six perches and erecting a passage
over same about six feet in breadth making a gullet under
neath about 3 feet square. The well to be enlarged to about 4
feet round and walled with stone and covered with flags. The
probable cost between Two & Three Pounds.

by the Board to expend the £2 or £3, suggested as being
sufficient to make the improvements respecting the well above
referred to.

The Committee also recommend that the Pond near the Pump
be properly cleaned up so as to give the water free access to
carry away all the refuse lying in it such to be effected by
serving Notice on the owners or if it were ordered to be done
by the Sub-Sanitary Officer might be as cheap.

We further recommend that the attention of the County Surveyor
of Lallow be directed to the Sewer in Main Street which empties
in Pound Lane in order to finish the sinking of it from the
point where it was done to some years ago as there is an amount
of effluvia caused by the stuff standing at said point.

We also direct that his attention be called to the Sewer in Mill
Street where the sewer from the yards empties at the rear of
Taylors Stores out on the Street and that a sewer be sunk through
Mill Street to receive it.

The Board agreed to postpone the consideration of the subject of
the aforesaid report; and that the Clerk communicate with the
County Surveyor respecting same and also serve notices on the owners
of houses where nuisances exist.

Next Meeting of the Guardians to be held on Friday the 12th
day of March 1886

Signed,

Ben. Hopkins
Clerk of the Union.

Dublin. 3rd March 1886

Letter read from same, to forward herewith, to be laid before the Board of Guardians of Skiddagh Union, a letter which they have received from Mr. Patrick Murphy relating to the proposed erection of two cottages on his farm under the Labourers (Ireland) Acts; and I am to request that the Board may be furnished with the observations of the Guardians as to the mistake which is said to have been made in marking the sites on the Map.

The Board desire to be informed whether the mistake was accidental or otherwise.

With reference to the above letter the Guardians have to observe that the marking of the site objected to was accidental and desire to take the necessary steps to alter the position of the Cottages to the site proposed by Mr. Murphy on his farm, and wish to be informed how they can properly do so.

Mr. Toole proposed a notice of motion given by him as follows viz:

"I hereby move that the charge for the cottage to be erected on Myles Graham's farm in Philipps Division be made a Divisional Charge."

Amendment proposed by Mr. Hewton and seconded by Mr. R. D. Lawrenson that the area of Charge for the erection of the Cottage referred to be on the townland of Coolbawn.

The Board divided when nine Guardians voted against and fourteen for the amendment, which was declared carried.

The following letter was read from Mr. Browne Solicitor, As requested by the Board in the resolution of which you sent me copy on 17th ultimo I enclose particulars of the ~~costs~~ incurred up to the present time under the Labourers Act and amounting to the sum of £1.17.2.

With regard to the second part of the question it is impossible for me to give any estimate of the future costs as it depends in the first place upon how much of the work the Guardians entrust to me and in the second upon the nature and extent of the opposition which may be hereafter offered by the owners and occupiers of the land.

I can only say that my costs for any future work shall continue upon the same moderate scale as that which I have adopted in the costs now furnished."

With regard to the foregoing letter the Clerk was directed to inform Mr. Browne to proceed with the Schemes now in his hands.

From Same addressed to the Clerk and Returning Officer to acknowledge the receipt of his letter of the 5th instant, enclosing two nominations of candidates for the office of Guardian of the Shillelagh Union, and inquiring as to their validity; and with regard to the first paper I am to state that the omission of the name of the Union at the head of the paper does not invalidate the nomination, the name being inserted in the body

of the paper. With respect to the paper to which your second inquiry refers. I am to state that as the name in this case is given in the table above, the Board do not think its omission from the body of the form invalidates the nomination.

The enclosures of your letter are returned herewith
