No. 85106 22nd July 09	To state that they had sanctioned the initial salary of £150 a year & the maximum salary of £200 a year as proposed for each of the Medical officers of the two Dispensary Districts of the Union.	Mr. Fleming gave notice that he would move on that day two motions— "That the resolution passed on 2nd July 09, fixing the increments proposed under the scale of salaries for the three Medical officers of the Union be reconsidered." The Board suggested that the increments proposed under the scale might be revised in such a way as to provide that each Medical officer would obtain his maximum salary on completion of forty years approved good service.

The following Letters and other communications were read by the Clerk, and orders were made on them respectively, as follows:—

Date	From whom	Subject Matter	Order of the Board thereon
30 July 09	D. Sexton Medical officer of Ennabally Dispy. District	That he had received a communication from Mrs O'Rourke, midwife of the District stating she is on leave from 25th July until 1st August (next) at present such holidays at intervals did not suit him (D. Sexton) as since Mrs O'Rourke's application for a month's leave had appeared in the Press, both the public & the (D.) had been put to considerable inconvenience by the public thinking the nurse was on leave when she was not. He (D.) respectfully requested that the nurse be asked to take her months leave continuously, not at intervals.	It was proposed by Mr. J. Byrne M.P. seconded by Mr. J. McLeod J.M.S. and passed unanimously. "That nurse O'Rourke be required to take the months leave continuously."
