## Topic

Infrastructure - Sustainable Movement – Transportation

## Submission

The lack of cycle infrastructure on the Vevay road connecting the 4 schools needs to be addressed. I would suggest that pencil bollards be placed alongside the footpath so that cars can not illegally park. This illegal parking is making the cycle on the road highly dangerous. Removal of 2 parking spaces outside 5 loaves would create a continuous cycle route up the town and to St Pats School and close to Cronin's and the Gaelscoil.
