

Artist
Award Scheme 2024

1 BACKGROUND

Wicklow County Arts Office established the Artist Award Scheme as one of several funding streams designed to support artists, arts participation and art form development. These initiatives are integral to Wicklow County Council's broader efforts to encourage excellence in the arts and enhance community involvement in artistic endeavours across the county.

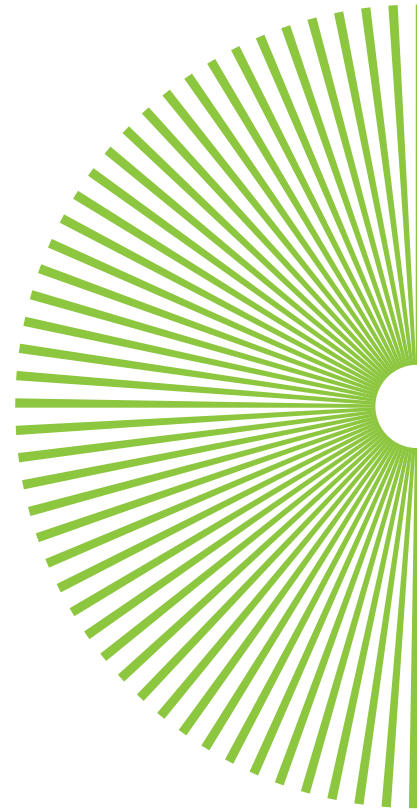

2 SCHEME PURPOSE

The Artist Award Scheme assists professional artists in the development of artistic practice by enabling them to explore meaningful ways to create work, test out innovative thinking and grow new ideas. The award supports professional practising artists to develop or realise a particular body of work or to undertake professional development.

The Artist Awards Scheme is open to artists at all stages of their careers that reside in or are native to County Wicklow. Professional artists working in any art form, discipline or genre including; film, music, visual arts, theatre, dance, literature, architecture, animation, performance, circus, traditional arts, film, music and drama, are eligible to apply to this scheme.

This scheme aims to enable artists to:

- ↳ Develop and/or present new work
- ↳ Consider new approaches to their work in the digital and virtual space as a valid and essential arena for artistic endeavour
- ↳ Reach out to and connect with vital collaborators, networks, peers and other socially engaged artists, academics, community leaders etc to develop a discourse on their practice
- ↳ Connect with international networks, organisations and practitioners, to develop future collaborations and opportunities on an international scale
- ↳ Work in collaboration with communities of place and communities of interest in County Wicklow to develop and/or present new work.

The purpose of the Artist Award Scheme is to support and nurture professional artistic practice in County Wicklow. In recognition of the limitations and the challenges posed to artists and their practice, we aim to:

- i. Support the development and creation of virtual, digital and physical practice and methodologies
- ii. Support reflective ways of thinking and developing work which includes the creation of new local, national and/or international collaboration, reaching across borders tangible and imaginary.

Note: In practical terms, this may include short-term mentorships, training or development support at the postgraduate level. It may also include the presentation of new work outside the county and/or country by an artist resident in County Wicklow (where there is demonstrable benefit to the artist's practice)

- iii. Support the creation of new works in all art forms that respond to times of social change, research new ideas; question themes or insights and look to the future.

Note: The proposed artworks must generate a dialogue through contemporary arts and have a significant impact on the artist's career development

While the maximum award available is €5,000, awards are often made for lesser amounts.

Previous Artist Award Scheme applications have sought support to:

- ↳ Participate in short-term courses or specialist workshops
 - ↳ Contribute to the costs of participation in a residency
 - ↳ Take part in professional mentoring programmes or development opportunities
 - ↳ 'Buy time' to develop or research a new body of work
- Applications to fund ongoing undergraduate study are ineligible

Wicklow County Council is aware that Covid 19 can disrupt an artist's work schedule and acknowledges that a degree of flexibility is required in the case of an awarded proposal being affected by COVID-19.
