## 6 Notice of Motions

---

### *Notices of Motion*

---

#### **1 Notice of Motion in the name of Cllr. Jodie Neary (Proposer)**

*"That Wicklow County Council acknowledges the Final Report of the Commission of Investigation into Mother and Baby Homes; and proactively reaches out to survivors and survivor groups to understand how the Council can best support their needs as well as acknowledge this dark period in our nation's and county's history, in a sensitive and appropriate manner".*

#### **2 Notice of motion in the names of Cllr. Joe Behan (Proposer), Cllr. Mary Kavanagh, Cllr. Peir Leonard and Cllr. Mags Crean (1st February 2021)**

*"That this Council calls on the Government to allow full, open and democratic debate and Dáil vote on CETA before it is ratified".*

#### **3 Notice of motion in the name of Cllr. Dermot O'Brien (Proposer) (2nd February 2021)**

*"That this Council undertakes a process to become a 'Trauma informed' organisation".*

*Trauma is a widespread, harmful public health problem that impacts on every facet of society. Trauma can result from events and circumstances people experience throughout the course of their lives that are physically or emotionally harmful and have lasting adverse effect on an individual's mental, physical, social or emotional well-being. When we talk about trauma-informed services, we mean systems that recognise not just the signs and symptoms of trauma, but the widespread impact of trauma in our society and respond by addressing trauma through policies and practices. Services should be delivered in a way that address people's experiences of trauma and actively seek to prevent re-traumatising people who use services.*

#### **4 Notice of Motion in the names of Cllr. Paul O'Brien (Proposer), Cllr. Anne Ferris and Cllr. Gail Dunne (18th February 2021)**

*"That this Council writes to the minister responsible for local government and planning with the following proposal:*

*That as part of the conditions for planning applications for new housing estates, developers must install Automated External Defibrillators (AEDs). We are also calling on the minister to instigate a review in order to install AEDs in all existing residential developments across Ireland.*

*70% of cardiac arrests happen at home, every minute that there is a delay in acting reduces the person's chance of survival by 10%. Having the AED close at hand provides a vital link in the chain of survival and offers the person, adult, baby or child the best chance of surviving a cardiac arrest".*

#### **5 Notice of motion in the name of Cllr. Mags Crean (Proposer), Cllr. Peir Leonard, Cllr. Joe Behan, Cllr. Tom Fortune, Cllr. Mary Kavanagh and Cllr. Rory O'Connor (18th February 2021)**

*We wish to propose the following: That not healthy tree within a townscape, streetscape or public realm area be removed without at least two weeks prior notice to Councillors stating the reason for removal. Damaged or diseased trees or those that pose an immediate safety risk to be exempt from said notice period.
