The Clerk's Report of Vaccination was read (this on the first meeting of every month) Number of successful cases:—

The Report of the Visiting Committee was read, and Orders were made thereon, as follows:—

Dr. King, M.O. of Workhouse, wrote as follows:—

"I beg to report that during a period of several days previous to last Sunday the milk supplied to the Workhouse ^{was} only about one half of the quantity ordered. Consequently very many bad cases suffered severely for want of milk and hardly any of the ordinary cases were able to get their proper allowance of milk ordered. As milk cannot be bought in quantity at short notice, this is a state of affairs which entails great hardship on patients inmates as well as danger to life in serious cases. Since Sunday last the milk has been supplied regularly."

Order: That the contractor be cautioned and requested to be careful to supply the full quantity of milk ordered in future.

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

"I have to inform you that on 22nd ult. I employed a trained nurse from the Nursing Home, Dublin, at the request of Dr King. She became ill after doing night duty at Fever Hospital for one night & returned to Dublin next day, & I was obliged to wire for another nurse who is doing duty at present.

I have also to inform you that I have recovered fairly well & have resumed book work. & hope to be able to have all my books written up to date by your next meeting.

The Board approved, and directed that the temporary nurse who was taken ill be allowed £1. travelling expenses from and returning to Dublin and 4/6 in respect of her services for one night."

The following Orders of the Local Government Board for Ireland were laid before the Board and directions given thereon, as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

no. 50,503

25 Sept. 1913.

The Local Govt Board wrote to state that they observed from the minutes of the ^{meeting} guardians on the 19th inst. that the weekly abstract of the account of Provisions and necessaries for the week ended the 13th instant had not been written up by the master of the Workhouse, & that that officer was granted leave of absence owing to illness. In reference thereto, the L.G. Board requested to be informed what provision it is intended to make for the performance of the master's duties while he is ill, & to point out that it is necessary that his books should be kept written up to date.

Order: That the master be asked to write up the provision check account as soon as he can.

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 52,823.

13 October 1913

The Local Govt. Board writes to transmit questions for answers respecting persons employed temporarily as night nurses in the Fever Hospital.

No. 52,823.

14 October 1913

From same, writing with reference to previous correspondence to the entry on the subject in the minutes of 2nd instant, to state that if the Workhouse Master is unable to perform his duties through illness, he should be required to furnish a medical certificate as to the state of his health. The Guardians should then appoint a suitable person to act for him.

D'King, Medical Officer of Workhouse, wrote as follows:— "I certify that Mr. P. Turlong is suffering from an attack of feverish cold which renders him hardly fit to fully carry out the duties of Master of Workhouse, as he is suffering from weakness with severe headaches, & frequent bleeding from nose."

Order: That the Master be authorised to employ an assistant ^{for two weeks} to write up his books.

No. 52,823

16 October 1913

From same to say they observed from the report of the Medical Officer contained in the minutes on the 2nd instant, that the quantity of milk supplied for use in the Workhouse was on several days recently only about one-half of the quantity stipulated for in the contract, & in reference thereto, the R.G. Board stated that the Master should be careful to report any shortage in the milk supply & that the contractor should not be permitted to evade his legal liability in the matter. The M.O. should at the same time be requested to prescribe a dietary equivalent to milk.

in nourishment, which should be substituted for the milk when it is not fit for use, or when the amount contracted for is not supplied. When formulating this dietary scale the M.O. should not be affected by any consideration of the cost, as the additional expense involved must be borne by the contractor concerned.

Order: That a copy of this letter be furnished to the Master & Medical Officer.

Mr. P. J. Maguire wrote today that he deeply appreciated the kind vote of sympathy passed by the Board on 2d inst. on the death of his father-in-law.

On the motion of Councillor E. Byrne seconded by Councillor Kavanagh, a vote of condolence was passed to Mr. Sexton on the death of his brother.
