LAP - Proposed Material Amendments No 26 Submission

Submission

Proposed Material Amendment 26:

I would like to register my objection to Proposed Material Alteration no 26 to amend zoning of lands at Bellevue Demesne from unzoned/outside the LPF boundary to AOS 'Active Open Space' and the addition of a new Specific Local (no. 12) Objective for Bellevue Hill.

This land is in an environmentally sensitive location, close to the Glen o the Downs and The town boundary should not be extended to incorporate this 12.5 hectare site.
