Community Development (inc. sports facilities & schools, etc)

Submission

Request for area SL06 between rocky road & hawkstown road be changed to active open space to allow for much needed proper sporting facilities - basketball courts, running tracks, Astro pitches etc

Topic

Transport Assessment / Transportation Strategy Map

Submission

The lack of public transport to/from Wicklow and placement of stops being quite far from a lot of housing developments.

Even a commuter bus service to and from other area with the dart/luas would take some of the traffic off the main roads on the morning.
