## Topic

Community Development (incl. sports facilities & schools, etc.)

## Submission

I would like to outline my support that a sufficient land parcel in the town of Blessington is designated to accommodate a 400 meter running track and associated facilities for track and field events. This facility would be lead by the Lakeshore Striders Athletic Club, but available to all within the community, such as Community Games, Schools etc.. This should be added as a specific objective of the LAP.
