### **Re: Annual Financial Statement 2023 – Financial Review**

A Chomhairleoir, a Chara,

The Accounts of Wicklow County Council for the financial year ended 31<sup>st</sup> December, 2023 have been prepared in accordance with the Local Authority Accounting in Ireland Code of Practice, Accounting Regulations, and the directions of the Minister for Housing, Local Government and Heritage, and are now presented as the Annual Financial Statement 2023.

The Statement of Accounting Policies in the attached outlines the main principles upon which the Annual Financial Statement has been prepared. The Annual Financial Statement is subject to external audit, by an auditor of The Local Government Audit Service, whose purpose is to form an independent opinion of the accounts. In accordance with normal practice, a copy of the Auditor's Report will be circulated to each Member of the Council upon its completion.

Total Income and Expenditure on both Revenue and Capital Accounts (including transfers) for 2023 are set out below with a comparison to the previous year.

#### **EXPENDITURE AND INCOME**

	Expenditure		Income	
	2023	2022	2023	2022
	€	€	€	€
Revenue	150,160,400	134,329,096	150,501,338	134,678,338
Capital	130,752,798	155,681,152	139,256,053	152,528,173
Total	280,913,198	290,010,248	289,757,391	287,206,511

#### **REVENUE ACCOUNT**

##### **Income and Expenditure Statement:**

The Revenue Account (Operating Account) covers the everyday expenses of the Council. This includes areas such as housing maintenance, estate management, roads maintenance and restoration, land-use planning, waste management, provision and operation of recreational facilities, administration and support costs, repayment of loan charges, etc. The Statement of Accounting Policies and the Accounts in the pages to follow, set out the relevant details.

The Revenue Account may be summarised as follows:

	2023	2022
	€	€
<b>INCOME</b>	<b>150,501,338</b>	<b>134,678,338</b>
<b>EXPENDITURE</b>	<b>150,160,400</b>	<b>134,329,096</b>
<b>SURPLUS/(DEFICIT)</b>	<b>340,938</b>	<b>349,241</b>
<b>OPENING BALANCE</b>	<b>(938,828)</b>	<b>(1,288,070)</b>
<b>CLOSING DEBIT BALANCE</b>	<b>(597,890)</b>	<b>(938,828)</b>

The Revenue Account is prepared on the basis of income and expenditure classified into Divisions and Services as set out in Appendix 2. Moreover, the variance analysis of actual expenditure versus budgeted is shown in Note 16 and a summary of the major sources of revenue income is outlined in Note 15. Income and expenditure has increased by circa €16m to €150m in 2023, mainly in the areas of Housing and Buildings, and Development Management.

The outturn on the revenue account for 2023 shows a surplus of €340,938 for the year after transfers to reserves are included. This results in a reduction in the closing general reserve deficit to €597,890 at year end.

### **Divisional Expenditure/Income Variance Analysis**

#### **Division A - Housing & Building**

This division is over budget on both expenditure and income.

The key financial issues relating to this Division in 2023 include:

- Increased divisional spend of over €12m versus 2022.
- Increased expenditure on housing maintenance and repairs, including boiler maintenance.
- Increased expenditure and income on pre-letting repairs.

- Increased expenditure and income on Housing Grants, including Disabled Persons Grants (DPGs).
- Bad debt provision has been increased in relation to rent collection.
- Increased year on year expenditure and income under the Payment and Availability programme for Approved Housing Bodies.

## **Division B – Road Transportation & Infrastructure**

This division is over budget on expenditure and income.

The main reasons for these variances include:

- Additional expenditure and income on Regional Roads maintenance and improvement.
- Additional expenditure and income on Local Roads maintenance and improvement.
- Increased expenditure and income on public lighting repair and maintenance operations.

## **Division C – Water Services**

This division is under budget on both expenditure and income.

The main reason for this variance is:

- The release of a bad debt provision relating to the Uisce Eireann Balancing Statement, which was finalised and paid over in full in 2023. Moreover, the Wicklow County Council budget was approved prior to agreement of the Annual Service Plan 2023 with Uisce Eireann.

## **Division D – Development Management**

This division is over budget on both expenditure and income.

The main reason for this variance is:

- Additional Income and Expenditure of circa €1.5m in respect of Wicklow County Council's accommodation and community response to the war in Ukraine.
- Additional income and expenditure of over €0.6m under the Leader Rural Development Programme.
- Increased income and expenditure on LEO grant aided programmes.

## **Division E – Environmental Services**

This division is over budget on expenditure and under budget on income.

The main reasons for this include:

- Additional expenditure and income in relation to landfill, recycling centres, litter management and street cleaning.
- Additional expenditure on Fire Services operations.
- Income less than budget for the Fire Services training centre.

## **Division F – Recreation & Amenity**

This division is over budget on both expenditure and income.

The main reasons for this are:

- Increased income and expenditure for the provision of Library Services.
- Increased expenditure incurred on the maintenance of parks and open spaces, and playgrounds.
- Additional expenditure and income under the Community Enhancement Programme.
- Increased spending on Arts programmes.

### **Division G - Agriculture, Education, Health and Welfare**

This division is under budget on both expenditure and income.

The main reasons for this are:

- Small underspends versus budget on the provision of veterinary services, harbours operations and coastal protection.
- Income less than budget in respect of harbour fees.

### **Division H – Miscellaneous Services**

This division is under budget on expenditure and over on income.

The main reasons for this large variance are:

- Following the write-off of historical rates, a review of the remaining rates accounts was undertaken resulting in the bad debt provision being reduced and released back to the revenue account.
- Income from investments was higher than estimated.

### **Request for Members approval re over budget net expenditure**

The approval by the Members of additional net expenditure in excess of budget (as outlined in Note 16 of the AFS) is hereby requested in accordance with Section 104 (7) of the Local Government Act 2001.

<b>Division</b>	<b>Net Expenditure in Excess of Adopted Budget</b>
	<b>€</b>
Housing & Building	(1,602,782)
Roads Transportation & Safety	(190,871)
Development Management	(222,024)
Environmental Services	(1,478,204)
Recreation & Amenity	(598,559)
Agriculture, Education, Health & Welfare	(120,997)

### **CAPITAL TRANSFERS**

### **Request for Members approval re revenue transfers to and from capital**

The approval by the Members for transfers to and from capital (as outlined in Note 14 and 16 of the AFS) is hereby requested in accordance with the Local Government Act 2001.

Division	Transfers to Capital	Transfers from Capital
	€	€
Housing & Building	1,088,027	390,317
Roads Transportation & Safety	732,846	0
Water Services	130,685	0
Development Management	1,347,843	433
Environmental Services	886,954	0
Recreation & Amenity	260,478	0
Agriculture, Education, Health & Welfare	522,676	0
Miscellaneous Services	1,565,140	3,200,653
<b>Total</b>	<b>6,534,649</b>	<b>3,591,403</b>

Transfers to capital are in respect of past expenditure which has resulted in deficits in the capital account as well as the provision of specific reserves for future expenditure and commitments. The most significant transfers are for an ongoing provision to cover future appeals to the Valuation Tribunal relating the rates revaluation (€0.6m) and the carry forward of unspent discretionary funding (€1.8m) charged to Miscellaneous Services, and the provision for match funding requirements (€0.8m) charged to Development Management.

The most significant transfers from capital are from revaluation appeals provision to fund rates income reductions (€2.2m) credited to Miscellaneous Services and from internal capital receipts to fund pre-letting expenditure (€0.3m) credited to Housing & Building.

## **DEBTORS**

A summary of the main revenue collection accounts is contained in Appendix 7. The percentage collection levels are shown below with a comparison to the previous year.

	2023	2022
	%	%
<b>RATES</b>	91	88
<b>RENTS</b>	83	84
<b>HOUSING LOANS</b>	90	84

I am pleased to report that the commercial rates collection has not only returned to pre-Covid levels but is now at 91%, which represents the Council's highest ever collection rate. The housing loan collection percentage increased significantly from 84% to 90% despite the cost-of-living challenges faced by borrowers in 2023. Ongoing challenges remain in relation to rental arrears, however the Housing Department are committed to working with tenants to address this matter in line with their arrears policy. Moreover, as part of the recent organisational restructuring within Wicklow County Council, a new Debt Management Unit will be established under the Finance Directorate this year to address all

outstanding debts including housing rents, which should result in an increase in rental collections levels going forward.

## **BALANCE SHEET**

The Balance Sheet includes assets and liabilities as follows:

- Assets both purchased and constructed in 2023 plus historical assets.
- Preliminary expenditure on the provision of new assets such as planning and design costs, and work-in-progress capital schemes in the areas of roads, housing and recreation and amenity.
- Long-term debtors, e.g. housing loan advances.
- Current assets including stocks and short-term debtors.
- Current and long-term liabilities.
- Reserves and historical balances.

## **CAPITAL**

The capital category transactions have been extracted from various different sections of the Balance Sheet and are summarised here for review purposes.

	<b>2023</b>	<b>2022</b>
<b>INCOME</b>	139,256,053	152,528,173
<b>EXPENDITURE</b>	130,752,798	155,681,152
<b>SURPLUS/(DEFICIT)</b>	8,503,256	(3,152,980)
<b>OPENING BALANCE</b>	73,588,498	76,741,477
<b>CLOSING BALANCE</b>	82,091,754	73,588,498

The total capital expenditure in 2023 was €131m, of which circa €98m related to the Council's Housing Capital Programme. The Capital Account Statement of the Annual Financial Statement sets out further details in Appendices 5 & 6.

The closing credit balance of €82.1m is comprised of both favourable and adverse balances on projects. The main contributory reasons for the balances are:

- Development contributions income and other reserves (See notes 10 & 11)
- Adverse balances that are attributable to expenditure on the major infrastructural development programmes such as housing construction, road improvement, where state funding and grants for major projects are outstanding at year-end.
- Monies expended on schemes that may be subject to future own resource funding, i.e. development charges, revenue transfers, also have an adverse affect on the balance.

## **LONG-TERM CAPITAL BORROWING**

The Council's long-term capital debt at 31<sup>st</sup> December 2023 amounted to €62m (See note 7). The borrowings mainly relate to Local Authority Home Loans. The principal repayments are on loans issued to fund housing loans, land acquisition for housing purposes and other assets.

## **KEY DELIVERABLES 2023**

Based on the level of expenditure incurred in 2023, some of the actions and initiatives undertaken by Wicklow County Council during the year included:

- Delivery of 412 social housing units through the Council's direct build programme, turnkeys and in partnership with Approved Housing Bodies, against a target of 226 units.
- 539 new tenancies were created in 2023 across Local Authority and Approved Housing Bodies developments.
- The Greenhill Road affordable home scheme was launched with approval received for two further affordable home schemes in Rathnew and Baltinglass.
- Over €2.3m was spent on housing of the homeless in 2023. This included prevention and supports to people experiencing or in danger of becoming homeless. Wicklow County Council worked in partnership with Approved Housing Bodies and NGO'S including Dublin Simon, Peter McVerry Trust, and HAIL.
- Funding of over €2.2m was provided to improve quality of life for Wicklow residents via Housing Aid for Older People, Mobility Aid Grants, and the Housing Adaption Grant Scheme.
- Fabric upgrades were completed on 94 social houses.
- Companies supported by Wicklow Local Enterprise Office (LEO) created over 774 jobs in 2023. This was a seven per cent increase on 2022 and resulted in a net employment gain of 69.
- Clermont Screen Hub, a Screen Sector specific enterprise Hub, was officially opened by Ministers Simon Coveney and Simon Harris in October 2023. Funding for the development was secured under the Department of Enterprise, Trade & Employment's Regional Enterprise Development Fund, through Enterprise Ireland.
- The Town Regeneration Officer was appointed and a Town Centre First Masterplan completed for pathfinder town, Blessington.
- Over 13,000 sq. ft. of high-quality enterprise space was acquired in Greystones.
- Under the Government's Community Recognition Fund, a sum of €1.6 million was received to develop seven community projects across the county. The Community Recognition Fund is a major initiative designed to specifically support communities across the country that are hosting people from Ukraine and other countries. The funding was allocated across all the five municipal districts based on the number of new arrivals located there.
- In December 2023, two Wicklow large scale Infrastructure projects benefited from an additional funding award, Wicklow Swimming Pool and Leisure Centre will receive an additional sum of €0.93m, bringing the total funding for this project to €1.796m and the Charlesland Athletics Track Scheme funding will increase by €0.126m, with a total funding amount €0.436m for this project.
- The Arklow North Pedestrian and Cycle Scheme was fully completed in 2023.

- 30km/h speed limits were set outside all 102 Wicklow Schools to maintain as safe an environment as possible in the vicinity of schools aligning with the safe routes to school programme and love30 campaign. By-laws came into place on August 1<sup>st</sup> 2023.
- The Energy Team continued its decarbonising strategy, working with our energy partners CODEMA to develop a pipeline of projects to reach our 2030 targets and targeting large energy users across the Council's building stock. This strategy commenced with the decarbonisation of Bray Fire Station in late 2023.
- The ePlanning Project was implemented successfully, with over 50% of all applications now being submitted online.
- The Bolt eBike scheme was rolled out in June 2023 with 90 bikes. Over 6,000 users travelled over 100,000km in the first 6 months.
- Harbour projects to the value of over €1.2m were funded by the Department of Agriculture, Food and Marine under the Brexit Adjustment Local Authority Marine Infrastructure Scheme 2022-2023 (BALAMI).
- Progress continued on the Arklow Flood Relief Scheme, with Ayesa Consulting Engineers being appointed in December 2023 to carry out the detailed design and tender stage of the project.

## CONCLUSION

The Council faced a number of economic challenges and uncertainties during 2023, including the ongoing war in Ukraine and a cost-of-living crisis which resulted in high inflation and energy costs, and increased interest rates. However, I am pleased to report that despite these significant challenges the Council's overall financial position remained stable in 2023. We will continue manage our finances in a prudent manner whilst striving to ensure that essential services are delivered to a high quality and represent value for money.

I would like to express my appreciation to all staff for their hard work and commitment throughout 2023 and to thank the Members of the Council for their continued support.

I wish to thank everybody involved in preparing the 2023 Annual Financial Statements, in particular the staff of the Finance Department.

## **Independent Auditor's Opinion to the Members of Wicklow County Council**

I have audited the annual financial statement of Wicklow County Council for the year ended 31 December 2023 as set out on pages 12 to 31, which comprises the Statement of Accounting Policies, Statement of Comprehensive Income, Statement of Financial Position, Statement of Funds Flow and Notes to and forming part of the Accounts. The financial reporting framework that has been applied in its preparation is the Code of Practice and Accounting Regulations as prescribed by the Minister for Housing, Local Government and Heritage.

### **Responsibilities of the Council and the Local Government Auditor**

The Council, in accordance with Section 107 of the Local Government Act, 2001, is responsible for the maintenance of all accounting records including the preparation of the Annual Financial Statement. It is my responsibility, based on my audit, to form an independent opinion on the statement and to report my opinion to you.

### **Scope of the audit of the financial statement**

I conducted my audit in accordance with the Code of Audit Practice, as prescribed under Section 117 of the Local Government Act, 2001. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the annual financial statement. It also includes an assessment of the significant estimates and judgements made in the preparation of the financial statement, and of whether the accounting policies are appropriate to the Council's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide sufficient evidence to give reasonable assurance that the annual financial statement is free from material misstatement, whether caused by fraud or error.

### **Opinion on the financial statement**

In my opinion the annual financial statement, which has been prepared in accordance with the Code of Practice and Accounting Regulations for local authorities, presents fairly the financial position of the Wicklow County Council at 31 December 2023 and its income and expenditure for the year then ended.

### **Emphasis of Matter – Whitestown Landfill Remediation Scheme Costs**

I draw attention to Note 25 of the Annual Financial Statement which describes the uncertainty of the costs associated with the remediation scheme on the Whitestown landfill site. My opinion is not modified in respect of this matter.

### **Statutory Audit Report**

I have also prepared an associated audit report as provided for in Section 120(1) (c) of the Local Government Act, 2001.

Daragh Mc Mahon

Daragh Mc Mahon

Date: 29 October 2024

## **STATEMENT OF ACCOUNTING POLICIES**

### **1. General**

The accounts have been prepared in accordance with the Accounting Code of Practice ACoP on local authority accounting, as revised by the Department of Housing, Local Government and Heritage (DHLGH) at 31st December 2023. Non-compliance with accounting policies as set out in ACoP must be stated in the Policies and Notes to the Accounts.

### **2. Statement of Funds Flow (Funds Flow Statement)**

A Statement of Funds Flow was introduced as part of AFS 2011. While the guidance of International Accounting Standard 7 Statement of Cash Flows has been followed, the business of local authorities, is substantially different to most private sector organisations and therefore some minor changes to the format have been agreed to ensure the data displayed is meaningful and useful within the local government sector. For this reason, the statement is being referred to as a 'Statement of Funds Flow'.

The financial accounts now include a Statement of Funds Flow after the Statement of Financial Position. Notes 17 – 22 relate to the Statement of Funds Flow and are shown in the Notes on and forming part of the Accounts section of the AFS. Note 19 details Project/Non-Project /Affordable /Voluntary balances, which can be either a debit or a credit balance. The funds flow assumes that these are debit balances and bases the (Increase)/Decrease description on this.

### **3. Accruals**

The revenue and capital accounts have been prepared on an accrual basis in accordance with the Code of Practice.

### **4. Interest Charges**

Loans payable can be divided into the following two categories:

- Mortgage related loans
- Non- mortgage related loans

#### **4.1 Mortgage Related Loans**

Mortgage related loans have a corresponding stream of income from long term advances (i.e. monies lent by the local authorities to borrowers), for the purchase of houses. Only the interest element is charged or credited to the Statement of Comprehensive Income (Income & Expenditure Account Statement).

#### **4.2 Non Mortgage Related Loans**

Note 7 to the accounts sets out the types of borrowing under this heading. Loans relating to assets/grants, revenue funding will not have a corresponding stream of income. Bridging finance will eventually become part of permanent funding. Loans in respect of the other headings will have a corresponding value in Note 3.

## **5. Pensions**

Payments in respect of pensions and gratuities are charged to the revenue account in the accounting period in which the payments are made. The cost of salaries and wages in the accounts includes deductions in respect of pension contributions (including Widows and Orphans) benefits under the Local Government Superannuation Scheme and the Single Public Service Pension Scheme.

The Single Public Service Pension Scheme ("Single Scheme") commenced with effect from 1 January 2013. Employee contributions for the Single Scheme continue to be deducted by local authorities but are remitted centrally to DPER.

## **6. Agency and Other Services**

Expenditure on services provided or carried out on behalf of other local authorities is recouped at cost or in accordance with specific agreements.

## **7. Provision for Bad & Doubtful Debts**

Provision has been made in the relevant accounts for bad & doubtful debts.

## **8. Fixed Assets**

### **8.1 Classification of Assets**

Fixed assets are classified into categories as set out in the Statement of Financial Position. A further breakdown by asset type is set out in note 1 to the accounts.

### **8.2 Recognition**

All expenditure on the acquisition or construction of fixed assets is capitalised on an accrual basis.

### **8.3 Measurement**

A Statement of Financial Position incorporating all of the assets of the local authority was included for the first time in the Annual Financial Statement for 2003. The assets were valued based on the 'Valuation Guideline' issued by the DHLGH. All assets purchased or constructed as from 1/1/2004 have been included at historical cost. Accounting policies relating to leases are currently being developed and will be reflected in the financial statements at a future date.

### **8.4 Revaluation**

As set out in a revision to the Accounting Code of Practice it is policy to show fixed assets at cost. Maintenance and enhancement costs associated with Infrastructure assets are not currently included in fixed assets but will be reviewed at a future date. Due to their physical nature the vast majority of assets are unique to local authorities and are not subject to disposal. Any loss or gain associated with the net realisable value of the remaining general assets subject to disposal, are accounted for at time of disposal.

### **8.5 Disposals**

In respect of disposable assets, income is credited to a specific reserve and is generally applied in the purchase of new assets. Proceeds of the sale of local authority houses are to be applied as directed by the DHLGH.

## 8.6 Depreciation

Under the current method of accounting, the charge for depreciation is offset by the amortisation of the source of funding the asset. This method has a neutral impact on Income & Expenditure and consequently the charge for depreciation and the corresponding credit from amortisation is excluded from the Statement of Comprehensive Income (Income & Expenditure Statement).

The policies applied to assets subject to depreciation are as follows:

Asset Type	Bases	Depreciation Rate
Plant & Machinery		
- Long life	S/L	10%
- Short life	S/L	20%
Equipment	S/L	20%
Furniture	S/L	20%
Heritage Assets		Nil
Library Books		Nil
Playgrounds	S/L	20%
Parks	S/L	2%
Landfill sites (*See note)		
Water Assets		
- Drainage schemes	S/L	Asset life over 50 years

The Council does not charge depreciation in the year of disposal and will charge a full year's depreciation in the year of acquisition.

\* The value of landfill sites would be included in note 1 under land. Depreciation represents the depletion of the landfill asset.

## 9. Government Grants

Government grants are accounted for on an accrual basis. Grants received to cover day-to-day operations are credited to the Statement of Comprehensive Income (Income & Expenditure Statement). Grants received relating to the construction of assets, are shown as part of the income of work-in-progress. On completion of the project the income is transferred to a capitalisation account.

## 10. Development Debtors & Income

Short term development levy debtors are included in note 5. Income from development contributions not due to be paid within the current year is deferred and not separately disclosed in the financial statements.

## 11. Debt Redemption

The proceeds from the early redemption of loans by borrowers, are applied to the redemption of mortgage related borrowings from the HFA and OPW.

## 12. Lease Schemes

Rental payments under operating leases are charged to the Statement of Comprehensive Income (Income & Expenditure Statement). Assets acquired under a finance lease are included in fixed assets. The amount due on outstanding balances is shown under current liabilities and long-term creditors.

### **13. Stock**

Stocks are valued on an average cost basis.

### **14. Work-in-Progress & Preliminary Expenditure**

Work-in progress and preliminary expenditure is the accumulated historical cost of various capital related projects. The income accrued in respect of these projects is shown in the Statement of Financial Position (Balance Sheet) as 'Income WIP'.

### **15. Interest in Local Authority Companies**

The interest of Wicklow County Council in companies is listed in Appendix 8

### **16. Related Parties**

A related party transaction is a transfer of resources, services or obligations between the local authority and a

related party. The main related parties for a local authority include the following:

- i. Management and Personnel
- ii. Council Members
- iii. Government Departments
- iv. Local Authority Companies

Local Authority council members and key personnel are bound under the relevant sections of the Local Government Act 2001 and subsequent amending legislation to:

- a. Furnish an annual declaration of 'declarable interests' set out in section 175 of the Act;
- b. Disclose under section 167, 178 and 179 any beneficial interests that they or a connected person has; and
- c. Follow a code of conduct issued by the Minister for the Housing, Local Government and Heritage under section 169 of the Local Government Act 2001 in 2004.

'Declarable interest' covers both financial and certain other interests such as land etc.

Local Authority management and personnel salary and remuneration is determined by the Department of Housing, Local Government and Heritage in line with central government policy on rates of pay.

Local Authority interests in companies and joint ventures are disclosed in Appendix 8 to the Annual Financial Statements.

Local Authority transactions with government departments are governed by central government controls and procedures driven by government accounting rules.

### **17. Accounting for Expenditure**

Expenditure in relation to policy is accounted for in the relevant division e.g. E15 Climate Action and Flooding. Operational expenditure is accounted for in the area where the expenditure is incurred e.g. Housing, Roads, etc. This is in line with the Local Authorities costing system where the full cost of a service/sub-service must reflect all the costs associated with the service.

**STATEMENT OF COMPREHENSIVE INCOME (INCOME & EXPENDITURE ACCOUNT STATEMENT)**

**FOR YEAR ENDED 31ST DECEMBER 2023**

The Income and Expenditure Account Statement brings together all the revenue related income and expenditure.

It shows the surplus/(deficit) for the year.

Note 16 allocates transfers by service division in the same format as Table A of the adopted Local Authority budget.

## 23. Revenue Commissioners: Level 1 Compliance Intervention Letter

In October 2022, 31 City and County Councils were issued with a Level 1 Compliance Intervention letter in respect of Relevant Contracts Tax (“RCT”) in accordance with the Revenue Commissioners Compliance Intervention Framework. Since then, the Local Authorities have been liaising with the Local Government Management Agency and external specialist tax advisers to provide requested information to Revenue and to conduct the requested self-review of its RCT obligations in respect of certain contracts. This process is ongoing.

## 24. Development Contribution Waiver Scheme

In 2023, the Government approved additional measures under the Housing for All Action Plan to incentivise the activation of increased housing supply and help reduce housing construction costs, including the introduction of temporary time-limited arrangements for the waiving of local authority “section 48” development contributions. This waiver is reported in the capital account. However, due to the accounting treatment of the waiver, the income figure for development contributions in appendix 5 does not agree with development contribution income figure in Note 10 in Annual Financial Statements 2023. The income figure in Note 10 is higher as it also includes the grant income from the DHLGH in respect of the waiver.

## 25. Contingent Liability

A material contingency exists and has not been accrued in the Annual Financial Statement in relation to the remediation costs on the Whitestown landfill. In a judgement delivered on 19 July 2017, the High Court directed the Council to remove to a licensed waste disposal facility, all waste and all soil or other materials contaminated or potentially contaminated by such waste from all areas of the site and to appropriately fill and landscape the site with inert matter sourced elsewhere, and to return possession of the site to the owners.

In May 2018 the Council appointed an environmental consultant to draw up a remediation plan for the site. The draft plan was completed in November 2020 and circulated to the relevant stakeholders for consideration. Submissions from a number of statutory consultees were received which led to additional ecological surveys being carried out and a change to the remediation plan. The High Court has delivered Judgement number 8 in March 2023 regarding part of the remediation plan which details steps the Council must undertake to progress the remediation of the site. The tender process for The Main Contract via Restricted Procedure is due to be completed with the appointment of a Contractor by 31st December 2024.

Judgement No. 10 delivered on 18th December 2023 ordered that an Independent Expert be appointed to advise the court and the cost of the expert be covered by Wicklow County Council. This cost is unknown.

As the remediation plan has yet to be agreed and fully approved by the court, the full costs involved have yet to be finalised.
