Topic

Compact Growth - Housing – Population Growth

Submission

Behind Servier in Arklow, build new homes on that site.

Develop the alps site, town looks dreadful and need a new centre of focus to get footfall back on the town.

Encourage businesses into the town, the town is awful looking boarded up and run down. Lower the rates, do what you have to do, Gorey is thriving and such a beautiful town under Wexford Co Co. A lot of people bypass Arklow and go to Gorey, Bridgwater is dire.

Topic

Regeneration of Communities & Places - Healthy Placemaking - Urban Design - Opportunity Sites in Arklow

Submission

Use the vacant buildings for conversions to apartments/housing, it's a big population and people need homes, living in their ma's box rooms isn't good enough at nearly 30 years of age and those with babies etc, need housing.

Topic

Infrastructure - Sustainable Movement – Transportation

Submission

The on street parking causes a lot of traffic flow issues at times, can be quite annoying when stuck behind a bus going up upper Main Street near the barber shop/roundabout where the flower shop used to be. Very tight along there.

The bollards everywhere along St Mary's road and Coolgreaney road are an absolute JOKE!!
