From same to request the Clerk to furnish, in future, a separate Abstract showing the collection of the said Rates in the Union

No. 453

11th January 1883

From same to observe from the Abstract of Rates collected and lodged in this Union for the year ended 23rd Ultimo and from previous Abstracts, that it ^{appears} to be the practice for the collectors of the Union to retain in their hands large balances of Rate collected by them; and the Board has to draw the

attention of the Board of Guardians to Article 47, 1st of the General Regulations and to request that they will be good enough to direct that in future all Rates be lodged within the week during which they shall have been collected.

The Board have further to point out that Collectors Doyle, Burke, Ayle, and Allen had not attended for the examination of their Accounts from the 11th, 4th, 11th and 11th Ultimo, respectively, to the 23rd Ultimo; and the Guardians should insist upon a strict compliance on the part of these Collectors with the requirement of Art. 7 of Article 47 of the General Regulations above referred to.

The Clerk was directed to write to the Rate Collectors referred to in the foregoing letter to lodge all Rates in future within the week during which they shall have been collected; and also that the said Collector be requested to strictly comply with the provisions of Art. 7 of Article 47 of the General Regulations to attend regularly for the examination of their Accounts in accordance with the letter of the Local Government Board.
