Community Development (incl. sports facilities & schools, etc.)

Submission

We are looking for Wicklow County Council to designate sufficient land in the town of Blessington to accommodate a 400 meter track and associated facilities. This would be a facility that would be available to all the community- school, striders, community games etc.

We hope you take this into consideration for the west Wicklow area as no facilities are available in this area.

We also require a swimming pool in west Wicklow.

Many thanks,

Helen
