The members of Wicklow County council call on the Executive to stop using the X platform immediately.

X, formerly known as Twitter, has become a vehicle for abuse, and the promotion of far-right, racist and divisive politics. Recently several regulators at home and abroad have launched investigations into X due to a potential criminal breach by X.

Grok the AI chatbot of X has been potentially breaching laws governing child safety and harassment communications.

Grok has been editing images under prompts from users and re-uploading said images back on the platform to reshare. Users have been requesting Grok to nudy images of women and minors.

This feature allows the creation of child sexual abuse material, and images of sexual harassment.

We call on Wicklow County Council to immediately cease posting on the X platform'.
