Local Planning Framework PART B Settlement Specific Objectives.

- B.1 Town Centre Regeneration
- B.6 Heritage, biodiversity and green infrastructure
- Other topics

Please select which town you want to comment on:

Greystones/Delgany, Kilcoole

Observation relevant to the settlement:

Please generally respect & support the (currently updating) Wicklow Biodiversity Action Plan.

Please concentrate development zones in towns not up the hills and into the Glens (like Coolagad).

Please protect rivers & streams (buffer zone 25m each side of watercourses like CDP).

Please Zone an extended Glen of the Downs / River & Marine area for Nature (not development) in this Framework (as OS2 and also request an extended SAC / SPA).

It is a key part of Greystones / Delgany, and the current Glen of the Downs SAC / SPA is isolated and not sustainable without further protection).
