| Ref             | VAR7-230700                 |
| Who Are You?    | Private Individual          |
| Name:           | Susan Barry                 |
| Submitted Time: | September 27, 2026 11:09 PM |

## Proposed Variation Parts

|            |                                                                                                                                           |
|------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Topic      | Part 1: Proposed Variation to town / settlement zoning maps and, where relevant, proposed new or amended site specific policy objectives. |
| Submission | 1. Level 3: Greystones-Delgany                                                                                                            |

|            |                                                                                |
|------------|--------------------------------------------------------------------------------|
| Topic      | Part 2                                                                         |
| Submission | Changes consequent to Chapter 3 (Core Strategy) of the County Development Plan |

|            |                                                                     |
|------------|---------------------------------------------------------------------|
| Topic      | Part 3                                                              |
| Submission | 2. A. Draft Strategic Environmental Assessment Environmental Report |

Write your observations here:

Charlesland golf course is a wildlife and environmental reserve we've enough building and estates in Greystones and need to have more open spaces for people and animals
