"On the 22nd Ultimo I visited the premises of Michl. Behan, Kyle, and found ~~his~~ Pigs his property housed in a shed erected against the bedroom of William Graham, Kyle, and immediately under the window that ventilated that compartment. I ordered the pigs to be removed and the house cleansed. I also found Behan's farm-yard manure kept in a filthy and untidy condition and a large pool of green stagnant water in his yard within a few yards of his own Bedroom. I ordered the manure to be put back some distance from the dwellinghouse and the pool of water to be let run off. On the same day I visited the premises of Wm Graham, Kyle, & found them in a clean and tidy condition. On the 16th instant I visited the premises of Michl. Behan again and found that the pigs were removed from the shed but his farm yard was still in a filthy condition.

I recommend that the shed belonging to Michl. Behan which is erected against the dwelling house of Wm Graham be properly cleansed & limewashed and not used again for the housing of animals or fowls and his yard properly cleansed. With reference to the open drain which passes through Michael Behan's yard from the premises of Wm Graham as it is used only for conveying surface water in wet weather it is not in my opinion

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 9435 11th March 99

Read letter from the Local Govt. Board to acknowledge the receipt of the Minutes of Proceedings of the Board of Guardians on the 5th inst. containing an entry of a communication from their Solicitor respecting the Bonds of the Rate Collectors of the Union and to state that the Local Govt. Board considered that the Guardians should, under the circumstances mentioned by their Solicitor, call upon the Collectors to enter into fresh Bonds and cause the same to be filed in the Court of Queen's Bench within the time prescribed by statute.

If the Guardians adopted this course the Local Govt. Board would not object to the expenses

thereby incurred being defrayed from the Rates.

The Board decided to inform the Local Government Board that in consequence of the Collection of the present Rates being now far advanced and the Collectors Bonds not having hitherto been filed the Guardians did not consider it necessary to have the Bonds registered immediately, but they would cause this to be done before issuing the next warrants & hoped that the Local Govt Board would not insist on their doing so until then.

The Clerk reported that he had applied to Owen Balfe, Carnew, for payment of the sum of £14-11-0 being cost of the maintenance of his wife and child in the Workhouse for past eighteen months at 4/6 per week but had not received any reply.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 9435 16 March 99.

The Local Govt Board wrote to acknowledge the receipt of the resolution of the Guardians of the 12th instant, inquiring whether it was competent for the Guardians to rescind by resolution the several orders fixing areas of charge for the expenses of fencing Burial Grounds in the Union, and in reply the Board stated that the Guardians had no power to rescind the orders of the Local Govt. Board.

No. 10655 18th March 99

With reference to the minutes of Proceedings of the Guardians on the 12th instant the Local Govt. Board stated that, under the circumstances mentioned therein, they would not object to the Guardians' proposal

to defer until after the completion of the collection of the current Rate, the question of requiring the Poor Rate Collectors of the Union to enter into fresh bonds with the view of having them filed in the court of Queen's Bench.

No. 10655 18 March 99

A letter was also read from the Local Government Board acknowledging the receipt of a resolution of the Board of Guardians of the 12th instant, proposing that a sum of £3:0:2 be expended in procuring an outfit for a pauper named Mary Blayney on taking her discharge from the Workhouse in order to emigrate to America, and to state that as this woman belongs to a class which the Regulations of the United States Government declare to be ineligible as an immigrant the Board were unable to express their sanction to the proposed expenditure.

It was directed that the Local Govt. Board be informed that the woman, Mary Blayney, was going out to her family in America and that Earl Fitzwilliam had given £5 to assist her, and the Guardians, having cognizance of the fact that she was obliged to destroy her own clothing while she acted as Wardsmaid of the Observation Ward during the late epidemic of Typhus fever in the Union, ordered, that an outfit be supplied her on taking her discharge from the Workhouse and under these circumstances they trust that the ~~Guardians~~ Local Govt. Board will not object to the expenditure (£3:0:2) in question.

Mr. Brown, Solicitor, wrote as follows viz:—

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority, under the above-mentioned Acts, at a Meeting held on Friday the 6th day of April 1894.

PRESENT: In the Chair— William Spears Esq

Other Members:— Major Newton D.L. Revd. Richd. James, Joseph HopKins and Abraham D. Symes.

No. 41. M 94 5 April 1894.

The local Govt. Board wrote to request that the clerk would fill up and forward to them not later than Saturday the 10th inst. the forms of return which were therewith enclosed relating to operations under the Labourers (Ireland) acts up to the 31st ultimo.

7th April 94.

Mr. Brown, Solicitor, asked to be furnished with the agreement under which James Doyle held the cottage at Belmount.

The clerk said he had furnished the document.

A letter was read from W. Ramsay C.E. enclosing final certificates for contractors on c/c of BallyKiedyff & Clonmore new cottages. The defects complained of at Brownbof cottage had been remedied. He (W. Ramsay) should like the Board to decide whether the contractor was to go on Gillespies land to make up his side of the old boundary fence. The contractor objected and he (W. Ramsay) wished to know his legal position in the matter. Blackhill cottage would be ready for occupation next week.

He

He had inspected the repairs to five cottages in Clonmore Division again and could not issue any further certificate for same until the work was done according to specification. Not only of it had been done, and Byrnes complaint about his smoky chimney was perfectly natural and well founded. He was instructing the contractor to carry out the work as specified.

It was ordered that W. Ramsay call upon P. Boulger contractor, to complete his contract as to fence at Brownbog cottage plot.

Cheques were ordered to be drawn in favor of Contractors Boulger & Cogan for £6 and £9. respectively as certified by the Engineer.

On the recommendation of Mr. Nicholas O'Toole, P.L.G., the Board agreed to allow John Byrne of Hacketstown the sum of £6/- for repairs to Brideswood and Hacketstown labourers cottages.

A representation for the erection of a labourers cottage was received from the Electoral Division of Cronelea.

"That we, the Guardians of the Shillelagh Union do most strongly protest against the money to which Ireland is entitled, under the Local Taxation (Ireland) Estate Duty act being allocated otherwise than to the relief of Agriculture in this Country, and in a similar manner to that in which Agriculture in England was relieved under the English Agricultural Rates act of last year, and they consider that it would be unjust to devote any portion of the "Equivalent Grant" to the purposes of the Agricultural and Industries (Ireland) Bill and unless the financial provisions of that Bill are so amended as to provide for an adequate endowment out of Imperial funds, it is unworthy of support.
